Activation Nation
Michaels, Philip
Macworld v21n6 PP: 20-21 Jun 2004
ISSN: 0741-8647 JRNL CODE: IMCW
WORD COUNT: 1290

...TEXT: developers have a clear motivation for making sure that people
using their products paid for **licenses** . The Business **Software** Alliance
(BSA), an industry trade association, contends that the lion's share of the
$13...

...publishers lose each year to piracy comes from workplace
over-installation-putting copies of a **program** on more computers than the
license allows. By linking a copy of a program to a specific computer,
software activation puts the brakes on that practice.

"Activation ensures the **software** people are using is **licensed** and
authorized," says Bob Kruger, the BSA's vice president of enforcement. "It
can deter...
...doesn't intrude upon private data. "We're not interested in anything
more than a **match** between a **serial**   **number** and a company's name," says
Cynthia Mackewicz, MYOB's general manager. The company claims...

...move programs to a new or upgraded computer in whatever way is
authorized by the **software**   **licensing** agreement.

Controlling copyright infringements of intellectual property: The case of computer software - Part two
Malhotra, Yogesh
Journal of Systems Management v45n7 PP: 12-17 Jul 1994
ISSN: 0022-4839 JRNL CODE: JSM
WORD COUNT: 4891

...TEXT: machine serial number etc. For example, a program may cease operating if the date or **serial number** of the computer does not match the legitimate 'keys' provided with the legitimate copy.

Recently, IBM announced that it will make...

...code to 'unlock' the product from the CD-ROM.

Access locks can be used where **software** is leased or **licensed** for a limited time period, or is used for execution on a specific machine. Generally...or for using stand-alone programs for multi-user applications on distributed networks.
SHRINK-WRAP **LICENSE** & 'BROKEN SEAL' AGREEMENT

Software companies are using the shrink-wrap agreement for legally binding the buyers of software products...consortia of smaller dealers and specialized resellers in order to gain larger discounts from distributors.

LICENSING AGREEMENTS

Some **software** companies use **licensing** agreements to discourage piracy. In this case, the purchase contract prohibits the buyer from making...

...licensing agreements also make the user aware of the illegitimacy of making unauthorized copies.

Varied **licensing** schemes used by **software** vendors confuse legitimate users who inadvertently copy software. Different vendors also have different policies for...managers are also responsible for implementing all aspects of software policy, maintaining detailed records of **software** procurement, supervising compliance with **software** **licenses** , and developing a **software** code of ethics

A company needs to have a published policy against copyright infringement, and...

...could save more than 5% on their PC software budgets by working out more favorable **licensing** agreements and controlling escalating **software** costs.

Asset management software can help IS managers track PC assets of all types and...
